For more than forty years, Blue Hawaiian—the only helicopter tour company that serves all four major Hawaiian islands—has been Hawaii's air-tour leader, setting a benchmark for quality that's unsurpassed. Our superb pilots, mechanics, and staff, and award-winning personal service are all about our guests. Where our guests and groups are concerned, our motto is:

THE GOLD STANDARD IS BLUE

The Tour of a Lifetime, Every Time.

The bonding experience your group will receive at Blue Hawaiian Helicopters will be a lasting memory that will carry them successfully into the future.

We are Leaders in Hawai'i Air-Tour Safety

Hawai'i's air-tour leader for over 38 years, the first to implement a voluntary FAA Safety Management System (SMS) which established specific Safety Performance Indicators (SPI) and Goals, just like all major airlines.

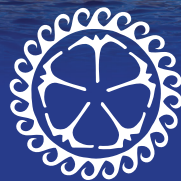

- Keeping the doors on for safety of community and guests, providing climate controlled spacious interior for guest comfort.
- Safety Briefing available in 10-languages; English, Chinese, Spanish, German, Russian, French, Japanese, Korean, Portuguese and Vietnamese.
- Use of quiet-technology Eco-Star helicopter, pioneered 4-camera digital in-flight video systems, use of BOSE aviation-grade noise-canceling headsets for clear two-way communication between pilot and guests.
- Certified under the International Standard for Business Aircraft Operations (IS-BAO); first in USA certified under the Tour Operators Program of Safety (TOPS); first in USA with FAA-approved Safety Management System (SMS); only air-tour company in Hawaii with FAA-approved repair station.
- Fly with The Best - The only Hawaii air-tour company that hones its pilots' skills in its own state-of-the-art flight simulator, annual factory and FAA recurrent training. We require the highest minimum pilot training hours in the state.
